# ABOUT US

**Jable Noor Global Export**, established in 2024, is a premier import-export company based in Nagpur, India, specializing in agricultural products. With a focus on quality and sustainability, we are committed to delivering premium offerings to clients worldwide. Our product range includes all varieties of rice (Basmati and non-Basmati), fresh fruits like mangoes, bananas, apples, and grapes, as well as vegetables such as onions, potatoes, tomatoes, and okra. Additionally, we supply aromatic whole spices, including turmeric, cumin, coriander seeds, and cloves, ensuring every shipment meets global standards. At Jable Noor Global Export, we prioritize customer satisfaction and aim to build lasting partnerships by providing superior products and exceptional service. We cater to diverse market needs with flexible order quantities and a commitment to timely delivery.
